

Encouraging togetherness and learning in dementia care

Living With Young Onset Dementia

Dementia Pathfinders is hosting a **FREE networking event**, on Wednesday 2nd December 2015, from 2pm until 5pm, at St Margaret's Church, Putney Park Lane, London SW15 5HU

This free event will offer clinicians, social care providers, community organisations, people living with dementia and family carers the opportunity to share experiences and learn about the realities of living with young onset dementia.

Dr Jeremy Isaacs, Consultant Neurologist at St George's University Hospitals NHS Foundation Trust, will speak about the epidemiology, clinical features and diagnostic and management challenges of young onset dementia and the work of the cognitive neurology team at St George's Hospital.

For more information about young onset dementia and the St George's Hospital support group, please visit: www.youngdementiasupport.london

To register for this event, please complete the form below or to book on-line: <http://networking-living-with-yod.eventbrite.co.uk>

Please enrol me on the Free Networking Event being held on 11th November 2015.
